

ACCREDITED SECURITY TRAINING

2 DAY COURSE

Certificate of Approval

Learn how to feel confident and safe within your new or existing career in security. In collaboration with Auckland industry professionals, this training consists of a mixture of in-house practical and online training, enabling you to gain the required NZQA credits to apply for a Certificate of Approval (COA). Guided by trainers with extensive knowledge and expertise in their field, you will learn how to combine a common sense approach with practical concepts, identifying instinctive responses which you can recall and utilize in high stress situations.

Entry Requirements

COA application eligibility:

- Age 18 or over
- No criminal record

Designed for those who are:

- Looking to work in the security sector
- Already in the security sector
- Wanting to extend their knowledge to keep themselves and others safer

Course Content

- To obtain and hold a COA, you are required to achieve the following unit standards:
 - 27360 – Conflict Management (Theory)
 - 27361 – Conflict Management (Practical)
 - 27364 – Demonstrate knowledge of the Security Industry
- Participants need access to the internet and a device, as modules are completed on-line

Investment

- \$375 including GST
- 2 online training modules to be completed before training commences
- 8 in class hours
- Tea, coffee and pizza lunch provided
- Digital certificate presented upon completion
